

MAHALOS

To the hospital Dietary Department for providing support for our luncheons and special events.

To Christine Hoffman for her many years of fundraising through the Friday bake sales.

To Dee Faessler and Kirsten Carlson and all the volunteers for making the Art Event a success and raising funds for a Veinfinder for the hospital.

To all who helped get the gift shop up and running, after a long hibernation.

To everyone who made it possible to provide six nursing scholarships in 2015 and again in 2016. Special thanks to the Fords for their continuing financial assistance.
