

# MAHALOS

To the hospital Dietary Department for providing support for our luncheons and special events.

To Christine Hoffman for her many years of fundraising through the Friday bake sales.

To everyone who made our First Annual Benefit such a success, John Kaewe for his entertainment and to all our donors to the silent auction and door prize drawings.

To all who help keep the gift shop up and running, through the many recent changes.

To everyone who made it possible to provide six nursing scholarships in 2017 and again in 2018. Special thanks to the Fords and to Jack Faessler for their financial scholarship assistance.
