ANNUAL BENEFIT

In 2017 the KCH Auxiliary Board of Directors decided to sponsor an annual benefit to raise funds to be used primarily for the Nursing Scholarship Fund. The annual benefit features a silent auction and door prize drawings all donated by local vendors and merchants. The benefit includes live entertainment featuring well-known local musicians. In the past, benefits have been held at the Old Kona Airport Pavilion. Board members, Auxiliary volunteers and friends of the Auxiliary provide all the services for the benefits including advertising, ticket sales, flyer distribution, refreshments, handling of the silent auction, door prize drawings and setting up and taking down of all materials at the venue.

Women's Health: Volunteers assist in the OB Unit and screen visitors coming into the facility. They also answer telephones and relay messages to the staff.

Surgical Services: Volunteers help the nurses in the pre-op and post-op areas. They assist the Health Unit Clerk by meeting and greeting patients in the waiting room. They escort post-op patients to the parking lot upon discharge. Volunteers may also assist with assembling chart packets, copying, faxing, filing and answering the phone and taking messages. Volunteers may pick up or deliver items from other departments and cover the front desk when the Clerk goes to lunch.
